## Town Accountant's Report

---

To the Honorable Board of Selectmen:

Herewith I submit my annual report of the financial transactions of the Town of Milford for the year ending December 31, 1950.

Included is a detailed report of the Receipts from all sources of income, a detailed report of the Expenditures of each Department and Account, a Recapitulation and Estimate table showing the Appropriation, Receipts and Transfers, Expenditures and Balance December 31, 1950, and the estimated cost to run various departments as submitted by them for the coming year.

I wish to thank all the Departments for their cooperation during the past year.

Respectfully submitted,

MICHAEL J. HANNIGAN,

Town Accountant

# ANNUAL TOWN MEETING, MARCH 15, 1950

Commonwealth of Massachusetts

Worcester, ss.

Milford, March 15, 1950

At a legal meeting of the inhabitants of the Town of Milford notified by law to vote in Town Affairs held in Town Hall on the 15th day of March A. D. 1950, the said inhabitants proceeded as follows:

The meeting was called to order by Moderator Curran at 8 P. M. and the following Monitors checked the lists of members present:

At Large J. Frank Cahill.

Precinct 1. J. Frank Cahill.

Precinct 2. Joseph L. DeLuca.

Precinct 3. Henry J. Pillarella in place of William P. Moore.

Precinct 4. Alfred E. Daigle.

Precinct 5. L. Blaine Libbey.

The following persons were elected to fill vacancies in the precincts. Precinct 1. John J. Bradley—Henry M. Pyne for 3 years; Precinct 2. Harold Calabrese—Vincent R. Grossi for 3 years; Precinct 3. Kenneth Allard for 3 years; Precinct 5. William Carini.

The Monitors took the roll call and 147 persons being present and 88 being absent the business meeting began with the Town Clerk reading the warrant and the Officers return thereon.

It was moved and seconded to dispense with the reading of the articles. Unanimous consent of meeting.

## Report of World War II Memorial Committee

This Committee comprised of thirty town meeting members appointed by the Town Moderator and representing the five precincts and members at large, was established by the authority of the vote of the Town Meeting Members on Article 56 of the Town Warrant, at the last annual Town Meeting, held in March 1949.

The mission of this committee, under the article, was to prepare plans for the erection of a suitable Community Field Building which would embody a combination Auditorium and Gymnasium as a World War II Memorial Building.

Under the article the sum of \$2,500.00 was appropriated for the purpose of acquiring these plans.

At the first meeting of this committee, Mr. Elmer C. Nelson was unanimously elected chairman and Mr. Donald F. Phillips was elected secretary.

The committee, after organization, made studies of various types of buildings which might be suitable to fulfill the requirements of their mission and all such types were thoroughly investigated before a final conclusion was reached.

Much study was given to a prefabricated steel hangar type building which has been adapted by many leading colleges and universities for field houses and gymnasiums. The principal advantage of such a building is the tremendous amount of floor area offered at a cost that is very low when compared to a conventional type of construction for the same given area. However, the committee, after a study of this type of building, based on the experience of some in use, concluded that the initial low cost would be offset by the comparatively high maintenance expense and shorter life span of such construction.

It was felt also that this type building did not present a suitable appearance for a fitting War Memorial, the purpose of this community building.

Turning to a conventional type of construction it was determined by the committee that it was quite possible to obtain what was required, within a figure arbitrarily set by the committee as what should be a maximum outlay by the Town of Milford. While the Auditorium-Gymnasium area of the conventional building is not as great as in the hangar type building, it appears to be quite adequate in the eyes of this committee.

A general plan was prepared by the committee whereby a building of steel and masonry construction, approximately 150 feet in length by 75 feet in width, containing an auditorium gymnasium, memorial foyer, meeting rooms, stage, kitchen, showers and locker rooms, could be constructed for \$250,000.00.

The seating capacity of the auditorium would be approximately 1,400 people. The seating capacity at a basketball game using the main basketball court would be 800 people. The building would be of simple design and economical construction and would present a very pleasing appearance. It would be a fitting and lasting tribute to the courage and sacrifice of the men and women of Milford who served their country so gloriously during World War II.

The land which the town voted to purchase last year situated on lower Main Street affords a most suitable location for this memorial. With Main Street frontage and in the immediate vicinity of Sacred Heart Church where your committee understands future plans call for a continuing program of beautification, it would appear that this makes a fine setting for our Memorial Building adjoining as it does the Municipal Fino Field property the facilities would be available for the use of the athletes

participating in outdoor sports there—then too the parking area of Fino Field would be readily available for events held in the new building.

In preparing the general plan described in the aforementioned, the sum of \$2,500.00 which was appropriated for the use of this committee was not used. It was felt by the members that the information gathered by their study was sufficient to present in the committee's report for action by the Town Meeting Body. It was felt that no money should be expended until detailed plans for actual construction be authorized and thereby utilize fully every dollar that was made available.

At present the Town of Milford's bonded indebtedness amounts to \$85,000.00. It therefore appears that this is the opportune moment to advance this Memorial Building for positive action. The Town Meeting members by their action of last March in the appropriation of money for this study signified their intention of positive and constructive action. This committee is wholly in accord with such determination and we recommend that steps be taken immediately to appropriate the sum of \$250,000.00 for the construction of a Community Memorial Building of the type described in this report.

Submitted,

DONALD F. PHILLIPS,  
Secretary.

VOTED: That the report be accepted as one of progress and that the committee be continued with instructions to prepare a suitable article for insertion in the Warrant for the next annual Town Meeting to construct and equip a World War Memorial Building at a cost not to exceed \$250,000.00 and to present to such meeting detailed estimates and plans for same.

It was VOTED: To accept the reports of all Town Officers.

Article 2. A motion was made by Dr. Frank J. Moschilli that the town vote to receive the report of the Finance Committee and that the Moderator inquire if any voter wishes to amend any item in the report. Any voter who wishes to consider any item separately shall ask the Moderator to remove this item from the report and when this has been done that the town vote to raise and appropriate the amounts recommended by the Finance Committee. The meeting shall then consider the items to which objection has been made by taking up each item individually.

It was then voted that the town raise and appropriate the sums of money for the various departments as recommended by the Finance Committee except those items to which there was no objection.

It was VOTED: That the town vote to receive the report of the Finance Committee and that the Moderator inquire if any voter wishes to amend any item in the report. Any voter who wishes to consider any item separately shall ask the Moderator to remove this item from the report and when this has been done that the town vote to raise and appropriate the amounts recommended by the Finance Committee. The meeting shall then consider the items to which objection has been made by taking up each item individually.

At this time the Moderator called for items to be acted upon individually in the report and the following items were removed from the report:

Highway Department—Salary and Wages.

Treasurer—Salary and Wages.

Welfare—Personal Services.

Tree Warden—Gypsy Moth Suppression and Elm Disease.

Stocking Ponds—Expense item.

**DEPARTMENT OF CORPORATIONS AND TAXATION  
DIVISION OF ACCOUNTS**

State House, Boston 33, September 19, 1950

To the Board of Selectmen  
Mr. John J. Casey, Chairman  
Milford, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Milford for the period from March 11, 1949 to May 31, 1950, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

FRANCIS X. LANG,  
Director of Accounts.

---

Mr. Francis X. Lang  
Director of Accounts  
Department of Corporations and Taxation  
State House, Boston

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Milford for the period from March 11, 1949, the date of the previous audit, to May 31, 1950, and submit the following report thereon:

The financial transactions, as recorded on the books of the several departments receiving or disbursing money for the town or committing bills for collection, were examined and reconciled with the books and records of the town accountant.

The books and accounts of the town accountant were examined and checked in detail. The recorded receipts were compared with the treasurer's books, while the disbursements as recorded were checked with the warrants authorizing the treasurer to disburse town funds. The recorded appropriations voted by the town were verified by comparison with the town clerk's records of town meetings, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on May 31, 1950.

The books and accounts of the town treasurer were examined and checked in detail. The recorded receipts were analyzed and compared with the collector's records of payments to the treasurer, with the records in the several departments in which charges originated or in which money was collected for the town, and with the other sources from which money was paid into the town treasury. The payments were compared with the warrants signed by the selectmen.

The cash book additions were verified, and the cash balance on May 31, 1950 was proved by reconciliation of the bank balance with statements furnished by the banks of deposit and by actual count of the cash in the office.

The payments on account of maturing debt and interest were checked with the amounts falling due and with the cancelled securities on file.

The securities, including savings bank books, representing the investments of the trust, investment and retirement funds in the custody of the town treasurer were

examined and listed, the income being proved and the withdrawals being verified.

The tax title deeds on hand were examined and listed, the amounts transferred from the tax levies to the tax title account being verified, and the tax titles as listed being checked at the office of the Registry of Deeds.

The books and accounts of the tax collector were examined and checked in detail. The commitments of taxes and excise were compared with the warrants issued by the board of assessors, the abatements as recorded were compared with the assessors' records of abatements granted, the recorded collections were checked with the payments to the treasurer as recorded on the treasurer's and the accountants books, and the outstanding accounts were listed and proved with the controlling accounts.

Verification of the outstanding accounts was made by mailing notices to a number of persons whose names appeared on the books as owing money to the town, and from the replies received it appears that the accounts, as listed, are correct.

The records of licenses and permits issued by the selectmen, the town clerk, and the health department were examined and checked, the payments to the State and the town being verified.

The surety bonds of the officials required by law to furnish them were examined and found to be in proper form.

In addition to the departments mentioned, the books and accounts of the sealer of weights and measures and of the police, highway, public welfare, veterans' benefits, school, library, and cemetery departments were examined and checked, the payments to the treasurer being verified.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the treasurer's and the collector's cash, summaries of the tax, excise, assessment, tax title, and departmental accounts, as well as tables showing the condition and transactions of the trust, investment and retirement funds.

For the cooperation extended by the several town officials during the process of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

HERMAN B. DINE,  
Assistant Director of Accounts.

## Annual Report of the Board of Selectmen

---

On March 7, 1950 the board organized and chose John J. Casey as Chairman.

The first few months of the administration were especially busy and required many decisions of great importance to the townspeople. The Police Force was augmented by the appointment of new, regular and reserve patrolmen to bring it up to its authorized strength. A new Sergeant was appointed so that there would be one Sergeant on duty at all times. It was hoped that thereby it would be possible to keep the Police Station open 24 hours a day.

With regard to the demolition of the old Washington Block, and the construction of a new building in its place, the Board was adamant in its stand that the owners comply with the towns Zoning Laws and By-Laws. In view of this fact a two story building now stands on the site of the former Washington Block.

We completed the purchase of the Stone Property at 1-3-5-7 Main Street for their appraised value of \$9800.00 in compliance with the vote of the last two town meetings. We immediately caused the buildings to be insured for the appraised value of \$3600.00. Shortly thereafter and within one week of each other, both buildings were damaged by fire. For the damage to the property the insurance company paid the town the sum of \$1900.00 which was more than it cost the town to demolish the buildings.

This administration has continued several of the policies of previous administrations. It has extended the street lighting program in residential areas and has also studied the matter of extending "the White Way" on Central Street and have made provision for same in the budget submitted to the Finance Committee for 1951.

In furtherance of the precedent previously established the Board sponsored a Hallowe'en Party for the youth of the town.

On October 31, 1950 John J. Moloney having reached the compulsory retirement age concluded 26 years of faithful service as Chief of Police. Sergeant William F. Fitzpatrick who ranked number one in a competitive examination, was first temporarily and then permanently appointed to fill his position.

This administration has inaugurated a policy of requiring all persons who are constructing or repairing highways for the town, or who receive special permits to obstruct highways, to obtain adequate public liability insurance in which the town is named as the insured.

In compliance with the vote of the Town Meeting the Board of Selectmen had Mr. Wendell Phillips draw plans for the conversion of the present Court Room into two separate Court Rooms. In the early part of next year both court rooms should be ready for occupancy.

Since we feel that the town should be adequately recompensed for the cost of renovating the court room, we have increased the rental 50% and the County Commissioners have agreed to this increase.

In compliance with the request of the Civilian Defense Director, we established a Civilian Defense Authority naming Elmer C. Nelson, Chairman.

We respectfully submit our report for your consideration and hope that it will meet with your approval.

## Town Counsel's Report

---

December 31, 1950.

Honorable Board of Selectmen,  
Milford, Massachusetts

Gentlemen:

There is submitted herewith my report as Town Counsel during the year ending December 31, 1950.

At the commencement of my term of office on March 15, 1950, there were eleven (11) claims outstanding against the Town in the classification of "Damage to Persons and Property." Of this total five (5) were in suit—four (4) before the Worcester County Superior Court, and one (1) before the Third District Court of Southern Worcester. During the period eight (8) new

claims were received, and no new actions were instituted. Of this total of nineteen (19) claims, twelve (12) were settled for amounts considered to be for the best interests of the Town. The number of cases settled includes settlement of three (3) of the actions pending before the Court. Since it is not likely that a settlement favorable to the best interests of the Town can be arrived at, it is believed that the action pending before the Superior Court will be tried early in 1951. Of the remaining five (5) claims outstanding, three (3) arose prior to 1950 and two (2) in 1950. It does not appear that settlement of these claims is likely.

During the period it was necessary to appear before the Superior Court on four occasions for the purpose of pre-trying actions, answering the call of the list, and for the start of trial of one of the actions. This latter action was continued by the Court due to the absence of one of the Plaintiff's principal witnesses.

The long-pending appeals of the Archer Rubber Company to the Appellate Tax Board, and relating to the refusal of the Board of Assessors to grant certain abatements requested by that Company during the years 1947, 1948 and 1949, were finally assigned for hearing in Boston. The undersigned conducted the defense raised by the Board of Assessors, and established by the testimony of two expert witnesses, on April 13, 17, 18, 20, 24 and 25, 1950. The Tax Board came to Milford for the purpose of examining the buildings in question on April 13th, and again on December 15, 1950. Despite the fact that all testimony was completed on April 25th, no decision had been announced by the Board on the date of this report.

On March 4, 1950, the Town Treasurer was served with a summons in an action instituted by the City of Boston in the Suffolk County Superior Court, arising out of a claim of the City of Boston in the amount of \$244.00 for aid furnished individuals alleged to have a legal settle-

ment in Milford. The Town's answer and other necessary pleadings have been filed and the action is still pending in Court.

Suit was instituted in the Worcester Superior Court on July 18, 1950, on behalf of the Town against the Town of Natick, to recover the sum of \$370.32, expended by the Welfare Department for the benefit of an individual claimed to have a legal settlement in Natick. Since it is evident that the Natick officials are desirous of obtaining a definite interpretation of the General Laws pertaining to the question it is expected that it will be necessary to prosecute this action to a final conclusion before the Court.

On July 3, 1950, a Petition or a Declaratory Judgment was filed by an individual who formerly conducted a poultry slaughterhouse on lower Main Street, against the Board of Health, seeking a declaration by the Superior Court in Equity that he is authorized to continue his poultry-slaughtering business under General Laws pertaining to the public health. An answer to this Petition has been filed on behalf of the Board, and an early hearing is expected.

During the year numerous opinions, both written and oral, were prepared for the various Department heads, and numerous conferences with Town Departments and Committees were held relative to questions relating to the conduct of their affairs.

Respectfully submitted,

DANIEL F. CARNEY,

Town Counsel.

During the year 1950, there were many changes in the personnel of the Department as follows:

March 28—Sullivan, E. J., from reserve to regular.

March 28—Tominsky, T. J., appointed reserve police officer.

April 18—Fitzpatrick, Wm. F., from patrolman to sergeant.

April 18—Tominsky, T. J., from reserve to regular.

October 31—Chief John J. Moloney was retired after 28 years of service.

November 1—Sgt. Wm. F. Fitzpatrick appointed Acting Chief of Police.

November 6—Sgt. Wm. F. Fitzpatrick appointed permanent Chief of Police.

November 13—Rizoli, E. J., from patrolman to sergeant.

November 13—Small, D. F., from reserve to regular.

November 13—Zachelli, Bruno, appointed a reserve officer.

November 15—Curley, J. J., appointed School Safety Officer.

A start has been made toward equipping the Department with two-way radio, with receiving sets to be installed in the police cruiser and the Chief's car. The control station will be installed at Police Headquarters.

Recommendation is respectfully made, after considerable study, to install a traffic light, pedestrian controlled, at the corner of Main and Fruit Streets, and Cedar Street at East Main.

Under Sgt. E. A. Lombardi, the auxiliary police are being reorganized, consisting of three officers and fifty men. The response to this call by the citizens has been most gratifying.

May we take this opportunity to thank all of the Town departments for the generous cooperation we have received during the year.

Respectfully submitted,

WILLIAM F. FITZPATRICK,  
Chief of Police.

## Report of the Tree Warden and Gypsy Moth Superintendent

---

I hereby submit my annual report on the care and renewal of trees and brush and planting of new trees.

During the year I have removed 27 trees in various sections of the town, and during the week of April 15th I bought and planted 40 new trees.

Brush was removed from most of the back roads.

On May 15th and 16th I sprayed for the Spring Tent Caterpillar using 2400 gallons of spray. On June 6th, 7th, 9th, and 10th I did my regular spraying using 17,760 gallons of spray. On June 1st and 2nd I also had the outskirts of the town sprayed by airplane.

On August 11th and 12th we sprayed for Fall Webb Worm and Second Generation of Elm Leaf Beetle using 9600 gallons of spray. During the year one elm sapling was reported infected with the Dutch Elm Disease. This tree was located in the Braggville district on the state road and was not under my jurisdiction. The elms in town under my jurisdiction are all O.K. as yet.

I wish to thank the various departments for their cooperation during the past year.

Respectfully submitted,

MATTHEW P. ANDREANO,  
Tree Warden and Gypsy Moth Supt.

## Report of the Inspector of Wires

---

To the Honorable Board of Selectmen:

The following report of the Inspector of Wires for the fiscal year ending December 31, 1950, includes the inspections made by both the late Angus McKenzie and David Rubenstein (appointed September 7, 1950).

Inspections for the year included 250 homes for changing of services, installation of 150 oil burners, installation of 60 electric ranges.

Increased construction of new homes, buildings, and remodelling of business establishments required a greater number of inspections than ever before made by this office.

Due to the increased use of electrical appliances in homes, this office has insisted on strict compliance with the National Electric Code requiring one family houses to be wired with 3-6 Service Entrance Cable; two-family houses with 3-4 Service Entrance Cable, together with 60 ampere combination range cabinets. All electric plugs in the kitchen, dining-room, and laundry must be of No. 12 wire.

I earnestly request the general public and all electricians to see that this regulation is adhered to.

I wish to thank the Honorable Board of Selectmen, Public Utilities, Electricians, and the general public for their cooperation during the past year.

Respectfully submitted,

DAVID RUBENSTEIN,  
Inspector of Wires.

# Report of the Board of Health

---

To the Honorable Board of Selectmen and the  
Citizens of the Town of Milford:

The Board of Health respectfully submits the following report for the year ending December 31, 1950.

## ORGANIZATION AND APPOINTMENTS

Dr. Nicholas J. Capece was reelected Chairman of the Board for the year at the organization meeting on March 7, 1950.

The appointments made were as follows: Clerk and Agent, Louis A. Marino; Nurse, Alice Fitzpatrick; Physician, Dr. Eugene E. Allen; Dentist, Dr. Joseph MacLellan; Plumbing Inspector, Charles J. Ferrante and John F. Power, additional Plumbing Inspector; Burial Agent, Oscar Ayotte; Meat and Slaughtering Inspector, Jeremiah Macchi; Emergency Slaughtering Inspector, Nelson C. Dion; Person to Receive and Report Contagious Diseases, Louis A. Marino.

During the year twenty-four regular meetings, three Special Meetings, one Hearing and several Conferences were held.

## TRAINING COURSE FOR FOODHANDLERS

The third annual Foodhandlers' training course was conducted in May with Theodore Shepardson, District Sanitary Officer of the Department of Public Health, directing the classes. He was assisted by Karl Wisnieski, Sanitarian of the Fitchburg district.

The first day of the three day course was devoted to Restaurant and Diner workers, the second day a special session for Beverage workers was held and the third day covered subjects related to Fountain Service. The classes were fairly well attended.

### GARBAGE CONTRACTS

The two contracts for the collection of garbage were awarded to Genevieve Geneseo for one year for \$2600. and to John Molinari for one year for \$2800.

### MILK SURVEY

The Agent of the Board with State Sanitarian, Theodore Shepardson, visited and inspected all Dairies and Milk Sheds of dealers selling milk in Milford.

### MILK REGULATION

After considerable study and to provide for safer milk, a regulation was adopted so that all milk sold in Milford must be certified according to the provisions of the law, or pasteurized as provided in Section 1, Chapter 94 of the General Laws.

This Regulation becomes effective January 1, 1951.

### TOXOID CLINICS

This year Diphtheria and Tetanus toxoid was provided by the State to be given to the children. In the past only Diphtheria toxoid was given.

Two of the Toxoid Clinics were held in November and December and the remaining two will be held in January and February.

### VACCINATION CLINICS

Two smallpox clinics were held during the month of June. Total number given were 131 vaccinations.

### HEALTH NURSE'S REPORT

Total enrollment of St. Mary's and Sacred Heart schools 1105.

The Massachusetts Vision test was given to the students of both schools. The parents of the pupils who failed, were notified, and advised to take the child to an oculist. There has been a decrease in the number of

failures due to the use of the Massachusetts Vision test, which is a more accurate test. The parents have been very cooperative in taking the children promptly to the oculist.

The Audiometer hearing test was given to the students. There were very few failures.

All students were weighed and measured during the school year.

The Dental Clinic is held every week-day A.M. at the Board of Health rooms. Appointments to the clinic are given to the children of the first four grades of all schools in the town. Emergency cases are also taken care of.

The Crippled Children's Clinic is held the third Friday of the month at the Worcester City Hospital.

Rheumatic Fever Service—Hospitalization at North Reading Sanatorium is available to any child in the acute or convalescent stage of rheumatic fever under twenty-one years of age living in Massachusetts.

Cerebral Palsy Service—Hospitalization is available at Lakeville State Sanatorium to any child with Cerebral Palsy under twenty-one years of age, living in Massachusetts, provided that the child is normal mentally and shows evidence of being able to benefit from a treatment program.

Diphtheria and Tetanus Toxoid Clinics—This year the State provided both Diphtheria and Tetanus toxoid. Two of the clinics were held in November and December and two other clinics will be held in January and February. The State advises four to six weeks intervals between the injections so that arrangements were made to conduct the four clinics one each month. Three doses

are necessary. However, an extra clinic is held in case of illness. The toxoid can be given to children from the age of six months and up.

The Milford Consultation Clinic has been discontinued. These clinics were held monthly. They are now held weekly, every Tuesday and Thursday morning at the Worcester County Sanatorium in Boylston, Mass.

The last clinic in Milford was held in July. The number of patients x-rayed and examined at the clinics from January to July were—265. The number of people found with Tuberculosis at these clinics was—0.

### REPORT OF THE TUBERCULOSIS CASES IN MILFORD

New patients reported	4
Number of patients in Sanatorium during the year - 1950	13
Number of patients discharged from Sanatorium	5
Number of deaths from Tuberculosis this year	5
Number of patients in Sanatorium at end of year	7
Number of Pulmonary arrested cases at home	64

The follow-up work on the arrested cases is made by either visits to the patients, or by telephone or letter

to remind them to have yearly check-up x-rays, or sooner if indicated. The majority of the arrested cases are working daily. They take very good care of themselves by having frequent x-rays. The report of x-rays made are sent to this office from the Sanatorium. Some of these cases have moved from town. Their records have been transferred to their new place of residence so that these cases can be followed up there.

## Report of Inspector of Animals

---

December 31, 1950

Honorable Board of Selectmen:

Gentlemen:

I hereby submit my report for the year 1950 as Inspector of Animals for the Town of Milford.

The required annual barn and livestock inspection was conducted and 125 Cattle, 205 Pigs, 7 Sheep, 23 Goats, 27 Horses, 1 Donkey, 1 Mule were found to be free of any contagious, infectious disease. The premises were inspected and found to be satisfactory.

Since my term of office began April 1, 1950, I have quarantined 1 cat for bites and a total of 49 dogs for bites. No case of Rabies was discovered. The majority of dog bites were found to be due to children tormenting the animal or children trespassing on property not their own. I had one case of dog bite where the child was bitten, the child was not taken to a physician, the dog was not examined by me, the owner having removed the dog from the

town without examination and refused to bring the dog to me for examination. My authority does not permit me to go outside the town limits to examine an animal. I would like to inform all owners, breeders, and handlers of dogs that it is required by law that a dog that has bitten anyone be immediately quarantined and observed for a period of fourteen days and that no one is allowed to destroy the animal from time of bite until the quarantine is lifted under order of State officials.

It is required by law that an animal crossing the state line shall have a health certificate and be inoculated. I inoculated one dog and placed it under quarantine and observed it for 21 days. The dog had been shipped from Pennsylvania without inoculation and health certificate. I investigated one report of dog bite where a child had fallen and injured itself. The police had been given an erroneous report the child had been bitten, a later report by parents of child and owner of dog clarified the report.  
tion:

Respectfully submitted,

O. W. BEIERSDORF, D.V.M.

Inspector of Animals.

## Report of the Board of Sewer Commissioners 1950

---

To the Citizens of Milford:

We respectfully submit herewith our report on operation, maintenance and construction work of the sewerage facilities of the Town.

### Collecting System

Sixty-three (63) particular sewers were connected in 1950 bringing the total number of connections to 2207. Lateral street sewers were constructed in Madden Avenue, and in the Florence Street extension district with outlet through Prairie Street, a total of 0.41 miles, bringing the total length of sewers to 29.30 miles.

Work on these extensions was done under contract, and awarded to the low bidder, Joseph V. Abretti & Sons. Sewers were put into operation in November.

Routine maintenance, flushing of sewers, was accomplished during the summer period, covering entire system.

### Pumping Stations

Routine operation and maintenance was accomplished at the pumping stations and odor control treatment by simple equipment feeding Cloroben was used at the Charles Street Station during the summer months. The ejector station on East Main Street is nearing the capacity of present equipment and will require some revision as sewer connections are added in this area.

### Treatment Plant

Plant operation has been improved throughout the year by operation of the sewage comminutor and by the construction of sludge pipe connections from the Imhoff tank to old sand filter areas for use as sludge drying beds to augment the existing beds, at a considerable saving in cost to the Town over construction of new beds, and allowing for greater amounts of sludge drawoff. A water supply main has been extended to the plant, from Hope-dale water main running towards South Milford.

The State Department of Health has ordered the installation of chlorination for the plant effluent and has approved plans submitted by our Engineers for this work, which is to be included in 1951 appropriation and put into operation before the summer of 1951.

366,615,000 gallons of sewage has been treated, an average of 1.0 MGD (million gallons per day) while the maximum month averaged 1.39 MGD and the minimum month 0.83 MGD.

### WELFARE PHYSICIAN'S REPORT

I respectfully submit herewith the following report of my duties as Town Physician for the period extending from June 1st to December 31st, 1950.

As Town Physician I made sixty calls to the Town Infirmary to examine, treat or transfer inmates to other institutions.

In addition to my duties at the Town Infirmary, I had seventy-five office visits from patients who are at the Infirmary or who receive welfare benefits.

Patients who receive welfare benefits were visited at various rest homes in the community.

I wish to express my appreciation for the cordial relations and the cooperation extended to me by Mr. Dugan and Mr. Ahearn, and other members of the staff of the Department of Public Welfare.

I wish also to commend Mr. and Mrs. Ebberling for the very excellent manner in which they have conducted the affairs of the Infirmary.

Respectfully submitted,

G. S. NOSSIFF, M.D.

Respectfully submitted,

## Christmas Town Lighting for 1950

---

Honorable Board of Selectmen,  
Milford, Massachusetts.

Gentlemen:

We respectfully submit our report of the expenditures and results for the Christmas Town Lighting for 1950.

We want to take this opportunity to point out the outstanding job performed by Edwin F. Lilley, Jr. and his Christmas Lighting Committee of the Mercantile Bureau, Division of the Milford Chamber of Commerce.

The amount of \$1,000.00 was appropriated at the March Town Meeting.

Your committee awarded the contract to the only bidder, the Rubenstein Electric Supply Co., in the amount of \$965.00.

We feel that this expenditure is warranted by the fact that Milford was one of the best lighted and decorated towns in Massachusetts.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE SCHOOL COMMITTEE AND THE CITIZENS OF THE TOWN OF MILFORD

---

Herewith is respectfully submitted the seventy-second annual report of the School Department and my fourth as Superintendent of Schools.

For the purpose of organization this report is divided into three parts, namely Program, Plant, and Personnel.

### PROGRAM

Attention is given continually to the courses of study by committees of teachers, principals, and supervisors in an effort to maintain the offerings to students at a high standard. During 1950 the course of study in grades 1-3 has been under consideration and it is expected that the results of this survey will be publicized in the near future.

Several phases of our Program, reported as innovations in last year's report have been continued successfully. These activities include Behind the Wheel Driver Training, Character Education, New Report Cards, Cumulative Records, Hearing Tests, Group Mental and Achievement Testing. The policy of aiding our teachers to improve themselves professionally has been carried on by bringing to Milford another Harvard-Boston University Extension Course entitled "Oral Language in Grades 1 - 5."

#### Adult Civic Education:

These classes became a reality once again during 1950. Fifty-four people enrolled and attended the classes held at Milford High School in the evening. The classes satis-

fy a serious need in our community and they were received with sincere interest and enthusiasm by those participating.

PARENT-TEACHER ASSOCIATIONS expanded in scope during the year to the point where all schools below the High School are represented in a unit affiliated with the State and National organizations. The department welcomes the parents to our schools and is ever willing to cooperate with them in the better development and growth of our common interests, the children.

All of the personnel of the various units have been especially cooperative and although the movement in our community is new, they are well on the road to becoming helpful and influential factors in our community and in our schools.

### **Open House:**

Again this year Open House was observed during National Education Week in every school in our system. The buildings were open to the public and many people availed themselves of the opportunity to observe our schools in operation.

### **Art and Music:**

In the Art and Music area several activities were presented which were related closely to community and civic interests. The correlation of art and music in the presentation of safety programs, patriotic observances and the annual local Christmas observances was worked out successfully once again.

The Music Department was host to the Second Annual Music Festival of the Central Massachusetts Group on May 20, 1950. This program brought to Milford sev-

eral bands, orchestral groups, and numerous choral groups, all of which engaged in auditions, a street parade, and a combination of events at Fino Field in the afternoon. We were happy to bring this event to Milford and to further the interest in all types of music among the students of high schools in Central Massachusetts.

### **Physical Education:**

In the Physical Education field for the first time in history a complete varsity program in football, basketball, and baseball was conducted in the Junior High School. An intramural program was continued in all sports and Physical Education Classes for girls were introduced at both the senior and junior high school levels.

### **Cafeteria:**

In January of 1950 the Cafeteria was opened to serve hot lunches to the pupils of the High, Junior High, Spruce Street, and Park Schools. We are now serving nutritive balanced hot lunches to all pupils in the above schools who desire to have them. The new Cafeteria has been well received by the pupils and parents alike and an outstanding advantage, hitherto lacking, is now offered to our pupils. In spite of greatly increased costs of food the Cafeteria is not operating at a loss and great credit is due the Director, Mrs. Helen Enman and her staff of cooks for the successful establishment and operation of this hot lunch program.

### **Teachers' Association:**

A Teacher's Institute was the highlight of the Teachers' Association's activity last year. This affair brought to Milford for an all-day and evening session outstanding leaders in education. The Association deserves high praise for the splendid program which was acclaimed by all who witnessed it.

## PLANT

During 1950 the following improvements to school buildings and grounds were made.

A new boiler was installed in the Claflin School, along with the installation of an oil burner and a 2000-gallon oil tank.

The old sets of granite steps at the approach to the Claflin school were replaced by concrete steps with a hot top walk connecting between the steps. At the top of the steps a hot top hard surface was installed in front of and on two sides of the building. Dry wells were dug to provide for drainage, boulders were removed from the play yard and the driveway from Cemetery Street was repaired.

A wall on the west side of the play yard was erected and a wire fence installed to replace the wooden fence which had been blown down in a wind storm.

At the Stacy Junior High School oil burners were installed and a 2000-gallon storage tank was installed outside the building.

A driveway was installed on Spruce Street side of the High School property to enable vehicles to enter the area from Spruce Street. It is planned to improve this approach during the coming year.

A new roof was installed on the old building portion of the High School. This action was an emergency which had to be cared for in order to prevent leakage which had developed to a serious degree.

At the South school a new hot top walk was installed, steps added at the entrances of the building. The remaining part of the school yard was given a hard surface through the splendid assistance and cooperation

of Mr. Edward C. Carroll of the local Highway Department. The surfacing of this yard is part of the plan, begun in 1949, to provide hard surface play yards at our schools on a basis of one each year.

A new asphalt shingle roof was installed at the Plains school, gutters and downspouts repaired or replaced as was necessary.

All windows in the Plains school were tightened and new sash cords installed throughout.

New locks were installed on all exterior doors at the Plains school in order to provide the elements of safety and security essential to a school building.

Permanent basketball backboards and baskets were installed in the yards of the Plains and the Stacy school.

A new heating system with oil burner was installed at the West Street school. This system replaces a condemned boiler and a one-pipe furnace which were used in the classrooms.

The lawn at the West Street school was graded, loamed, and seeded so that it now presents a much more attractive appearance.

Countless minor repairs to the buildings were made in some instances by the custodians and in others by skilled workers such as carpenters, plumbers, and electricians. The custodians have done excellent work in reconditioning and maintenance of floors in keeping with a program inaugurated during 1949.

The efforts of this office and the entire custodial force are bent constantly in the direction of placing all of our school property in a safe, wholesome, and sanitary condition. We are striving to make the learning environment and atmosphere of our pupils as healthy and as wholesome as is reasonably possible.

## PERSONNEL

### Retirement:

Miss Viola F. Leland, Principal and teacher of Grade VI at the Park School retired from her duties in June of this year. It was with extreme regret that we observe the departure of this kindly, considerate, industrious and zealous teacher. All of us in the department are grateful to Miss Leland for her many kindnesses to us and for the immeasurable contribution she had made to the children in her classes for many years.

We wish that Miss Leland will enjoy many years of happiness and good health in her retirement.

### Deaths:

Our department was grieved deeply by the death of Margaret E. Roche, a teacher of Grade 2 at the Clafin School for many years. In the loss of Miss Roche we mourn a person of outstanding devotion to her work, an excellent teacher and a person of impeccable character.

The department acknowledges the years of outstanding service which she gave in her efficient, quiet, and inspiring manner.

The personnel of the entire department was greatly saddened by the news of the sudden death of Edward Glennon, Custodian at the Stacy Junior High School.

Mr. Glennon will be remembered by his associates as a very pleasant cooperative, and conscientious person. In his death the School Department suffers the loss of one of its most outstanding people. We sympathize deeply with the members of his family in his departure.

**Leave of Absence:**

Benjamin F. Consoletti, a member of the High School faculty is currently on duty as a Captain in the United States Army. Captain Consoletti was granted a leave of absence earlier this year for the period of twenty-two months.

**New Appointments:**

Mr. John Calgione was appointed to the faculty of the Park School to assume duties vacated by the retirement of Miss Leland.

Miss Catherine McNamara was appointed Principal of the Park School succeeding Miss Leland in that capacity.

Mr. Edward McGarigle was elected to the faculty of Milford High School as a teacher of Chemistry and Mathematics assuming the position vacated by the resignation of Mrs. Burns.

Dr. Thomas P. DePalo was appointed as School Physician succeeding Dr. Joseph E. Lenares.

Alfred Lanzetta was appointed as a temporary building custodian to fill the vacancy caused by the death of Mr. Edward R. Glennon.

Miss Gloria Vasile was appointed a teacher of Physical Education for girls.

**Transfers:**

Miss Anna Heroux was transferred from Grade II to Grade III in the Oliver Street school.

Miss Anna Swift assumed the second grade duties in addition to those of the first grade teacher at the Oliver Street school.

Mr. John Calagione was transferred to the faculty of Milford High School assuming duties vacated by Mr. Consoletti while he is on leave of absence.

Mr. Harry Anderson transferred as custodian of Stacy Jr. High School.

Mr. Arthur DiVitto transferred as custodian of Spruce Street and Park School.

#### **Resignations:**

Mrs. Margaret Burns, Teacher of Chemistry and Mathematics at Milford High School resigned her duties during the summer vacation.

The Committee accepted with extreme regret the decision of Mr. W. Wallace O'Brien to resign from the School Committee. Throughout his entire tenure on the Committee Mr. O'Brien lent dignity, wisdom, and unselfish service to the entire department and to the community interests as well. Those of us who served with him in close contact appreciate greatly his successful endeavors to improve our schools in every conceivable manner.

#### **GIFTS**

The department is sincerely grateful to Mr. and Mrs. James Till for the piano which they donated graciously to the Spruce Street School.

We are also grateful to Mr. and Mrs. Daniel J. O'Brien for their generosity in presenting a piano to the Plains School.

Respectfully submitted,

DAVID I. DAVOREN,  
Superintendent of Schools.

### CLASS ODE

Farewell, dear Alma Mater,  
We bid you sweet adieu!  
Gone are the smiles of school days  
And all the joys we knew.  
We shall remember always  
And treasure with a sigh  
All of those happy mem'ries  
Our hearts will ne'er let die.

We shall be grateful always  
And try to win your praise.  
Our love of Milford High School  
Will linger all our days.  
We'll strive for recognition;  
God willing, we shall win,  
Cherishing our motto,  
"We finish to begin."

# Report of the Milford Town Library

---

The Trustees of the Milford Town Library submit the following report for the year 1950.

## CIRCULATION

Number of days open	289
Circulation for 1949	39,725
Circulation for 1950	44,239
Gain for 1950	4,514
Highest daily circulation	285
Lowest daily circulation	40
Average daily circulation	154
Delinquent notices	651
New Readers	444
Total Registration	1127

The circulation figures show a gratifying increase in Library patronage during the past year. The Library staff, in order to maintain and increase this standard, is now engaged in installing a new system for the charging out of books. This system, known as the Newark Charging System, will facilitate the handling of books at the Charging desk, and insure speedier service. Since this project involves handling each book in the Library it will be some months before the actual change-over can be accomplished.

A re-registration of patrons was also instituted during the past year in order to eliminate inactive names and bring registration records up to date.

Librarian Henry J. Pyne attended the Library Institute at Simmons College during the month of July.

The Trustees and Mr. Pyne express their appreciation to the members of the staff, Miss Cecelia Wallace, Mrs. Alice Morgan and Mrs. Grace Rooney for their co-operation and interest during the past year.

Number of books per Catalogue 1950	24,696
Number of books added 1950	645
Number of books withdrawn 1950	530
Collection of fines paid to Treasurer 1950	\$239.07

The Periodical and Reference Room under the supervision of Miss Cecelia Wallace had a total attendance of 6860 and a magazine circulation of 6165.

The Inter-Library Loan service of the Division of Public Libraries, Commonwealth of Massachusetts has been of valuable aid to the Library staff in filling requests for books not available in our catalogue.

## Report of the Milford Athletic Field Committee

---

January 5, 1951.

To the Voters of Milford, Mass.:

The Milford Athletic Field Committee have had an active year although attendance at Fino Field games was somewhat disappointing during 1950.

Acting under authority of the March 1950 Town Meeting a system of night lighting was installed at Fino Field at a total cost of \$17,344.04.

We had the expert assistance of the late Angus McKenzie, plus the co-operation of the Worcester Suburban Electric Co. and the contractor, Niro & Niro Co., and we feel satisfied that no money was wasted and that the field is properly lighted.

During the year 46 baseball and 8 football games were played, a total of 54 games of which 21 were under lights. A total of 28,322 tickets were purchased at the gate. This is a slightly lower average attendance per game than in 1949, probably due to an unusually cold baseball season.

The Annex was largely used for soft-ball games and for minor football games. This field allows two soft-ball games to be played simultaneously and each diamond was in use at least three evenings per week during the entire season, weather permitting.

Keeping Fino Field and the Annex, a total area of a little over 9 acres, mowed, lined, equipped, structures painted and in repair, grass alive and the entire area clean is more of a job than it appears to the casual observer.

We appreciate and offer our thanks for the assistance rendered us and the Town, by the other Town departments and particularly by the Highway and Fire Departments. Their co-operation has been a great factor toward whatever success we have had in the operation of these fields.

W. E. CORBETT, Chairman

B. J. VITALINI, Secretary

Milford Athletic Field Committee.
